

Meeting Place Map – Overton Park – 1:00-4:00PM CST (-5 GMT)

NOTE: Memphis has a loop that runs around the city. I-40 comes in from the west and east and then forms the top part of this loop. The bottom part of the loop is called I-240. This is important to know.

Heading east towards Memphis on I-40: After crossing the Mississippi River, you'll come upon exits named 1a, 1b, 1c, and 1d. You want to take any of these exits and head south a couple of blocks looking for Poplar Avenue, which runs parallel to I-40. Ride Poplar east and Overton Park will be on your left in the middle of town.

Heading west towards Memphis on I-40: When you get close to Memphis you'll get a choice of continuing on I-40 towards the north, heading on I-240 to the south, or continue going straight on Sam Cooper Blvd. You want to keep going straight on Sam Cooper Blvd. Sam Cooper Blvd will turn into Broad Ave. – you just keep going straight. Broad Ave. will dead-end into the right side of Overton Park. You want to take a left when this happens, and then take a right on Poplar a few blocks later. The entrance will be on your right after a few more blocks.

Heading south towards Memphis on I-55: I-55 will intersect with I-40. Head east on I-40. From here, follow the directions from “Heading east towards Memphis on I-40” above.

Our hotel: It's very easy to find! If you take the Poplar exit off of I-240, it is only a block or so inside of the loop.

Addresses: The address for our hotel is 5877 Poplar Avenue, and the address for Overton Park is 1928 Poplar Avenue. Both are Memphis, TN 38119.

Above is a shot of Poplar Avenue. You can see I-240 on the far east, Overton Park in the upper left, and the star in the lower right is our hotel. Poplar is labeled and runs from the upper left corner (the park) to the lower right corner (hotel).
