A close view of where our hotel is – right on 120<sup>th</sup> Avenue off I-25 exit 222. The first thing you should probably do when you get into town is check in to the hotel. Then head to the meeting park. You can see just to the southeast of the hotel is Eb Rains Jr. Memorial Park. Here is where you will be given your information packet for the weekend and get to hang out a bit to meet new people. It is very important that you check-in here and get your packet. At 3PM sharp we will have a group meeting at this park to cover important topics regarding the weekend. Be there – it's VERY IMPORTANT!
